Objective

To obtain a position as an IT Professional with a concentration in web design and development.

Skills

PHP, Adobe Photoshop CS3, HTML 4.01, XHTML 1.1, CSS, JavaScript, XML, AJAX, CSS, Flash CS3, Cakephp, Code Igniter, jQuery, Drupal, Wordpress, Twitter API, Facebook API, Google Maps API

Experience

Web Developer, Charlotte Observer; Charlotte, NC 07/2010-Present

Develop, Maintain, Update, and revise all of the [Charlotte Observer](#), [News & Observer](#), and [Rock Hill Herald](#) web properties. Monthly traffic to the Charlotte Observer alone is between 50 to 60 million pageviews.

Web Developer, Concentric Consumer Marketing; Charlotte, NC 10/2009-3/2010

Developed, maintained, updated, and revised various websites, eblasts, and social media presences of brands like Shasta, Gerber, [Ram Realty](#), and [Feline Pine](#) using PHP, MySQL, HTML, CSS, XML, jQuery, Google Maps API, Facebook API, and Expressionengine.

**Web Designer/Web Programmer, Dominion Enterprises;
Norfolk, VA 10/2006-04/2009**

Maintained, updated, and revised employmentguide.com, jobalot.com, careersingear.com, wiserworker.com, and healthcareerweb.com using PHP, HTML, Coldfusion, CSS, jQuery, Cakephp, and XML. Also aided in the redesign of jobalot.com, careersingear.com, healthcareerweb.com, and employmentguide.com (which consists of over 900,000 links and generates over \$26 million in annual revenue) using HTML, XHTML, CSS, XML, PHP, Coldfusion, jQuery, and Cakephp. Instituted User Interface Programming Guidelines for use by all User Interface Programmers. Developed flash-based Facebook Advertisements using Adobe Flash CS3. Developed specialized widgets for use on external websites, using Javascript and PHP. Trained intern User Interface Programmer. Assisted in interview and orientation of additional support staff. Developed Automated Twitter robot to reply to job search queries.

**Flash Developer, The Computer Merchant, L.L.C./Computer
Sciences Corporation; Hampton, VA 08/2006-10/2006**

Developed Flash based training Lessons and Modules for the United States Army Chaplain Training Course using Photoshop CS and Flash 8.

**University Student Webmaster and Network Administrator,
Hampton University; Hampton, VA 07/2003-05/2006**

Supervised, maintained, updated, and revised any web related material. Samples include: Departments of [English](#), [Physics](#), [Physical Therapy](#), and [Writing Technology Lab](#). Conducted hardware maintenance and software training for faculty and staff. Implement, install, and catalog 66 new computers for the laboratory and managed 25 faculty computers. Composed technical manuals for faculty, staff, and students. Troubleshoot all hardware and software issues in the laboratory and in faculty offices.

Education

Hampton University, Hampton, VA Major: Computer Science 2000-2006
